

**SCOTT & LIANE GRANT, Career Church Planters to Quebec  
- North America's greatest mission opportunity!**

## THE FIELD IS THE WORLD

(Matthew 13:38)

Thanks to the internet, communications and transportation, our present world is small and accessible. Our mission and ministry to the province of Quebec has three facets: **planting churches, training workers and translating materials** to bless the French-speaking world.

So far over 8 years of Purpose Institute training, 38 students have graduated from the four-year program and students and 48 others have completed the two-year program. All are active in ministry now, and 6 have already been licensed with the UPCI, most of whom are intrinsically involved in planting churches. Pray for open doors in Sherbrooke and Drummondville: both need new church plants, and will have our particular attention this fall. We have contacts in both of these great cities.

At our most recent Purpose Institute graduation, Sophie Omari was our valedictorian. She is a native of Belgium who works in the Belgian consulate in Quebec City. During our 30-year anniversary trip, Liane and I spent time with Sophie and her family in Brussels, Belgium while she was visiting there. Sophie introduced us to the capital of this French-speaking country; what a harvest field! We also had the privilege of meeting one of the local UPCI pastors, Joroen Van Gorp and his family, and connecting Sophie's family with their church in Brussels. The Van Gorp's were so happy we were able to bring them some materials our team has translated in French.

In September, Sandra, who was recently baptized in Jesus' name and filled with the Holy Ghost, will attend school in Belgium for 4 months. We are praying for a strong connection to the local Brussels church and her continued growth. She intends to enroll in Purpose Institute when she returns to Trois-Rivières.

Another of our university students, Patrick, received the Holy Ghost this summer, while he was doing an internship at the Sorbonne, in Paris, France. We are so grateful to Missionary Paul Brochu and the church in Paris Centre for ministering to Patrick while he was there.

We have a saying in French "*en équipe*", which conveys the idea of working together. We are each a part of something in the body of Christ, which is far bigger than ourselves! None of us is the body of Christ by ourselves.

Recently, we attended a French/English camp in Bannon, New Brunswick. Participants came from all over Quebec and New Brunswick. It wasn't a large group, but the prayer, teaching and fellowship were all life-changing. Our leaders returned refreshed and encouraged to Quebec City, Trois-Rivières, Sherbrooke, and Montreal.

Pray for us as this new season of school begins. Purpose Institute will host three campuses, two in Montreal (French and English) and a brand-new campus in Trois-Rivières to train workers in Quebec City, Victoriaville and Trois Rivières. **We are here to plant, train and translate;** and all three of these endeavors are moving forward! Thank you for your faithful prayers and support.

**2018 Purpose Institute  
Quebec Graduation**

**Patrick (university student in  
Trois-Rivières) filled with the  
Holy Ghost in France!**

**Quebec attendees at French/  
English camp in Bannon,  
New Brunswick**

**Project #171005**

**THANKS TO ALL OF OUR PARTNERS WHO MAKE THIS MISSION POSSIBLE!**
