NORTH AMERICAN MISSIONS

METRO MISSIONS

**SCOTT & LIANE GRANT, Career Church Planters to Quebec  
- North America's greatest mission opportunity!**

### Christmas came early!

Christmas is a time for giving... and thanks to the generous donations of UPCI churches and individuals (including many African immigrants living in Quebec), we were able to take the gift of French literature to the **UPCI Global French Summit** in Lomé, Togo in October. Seven people from Quebec attended, and together we brought over 200 printed books, as well as 100

Amazon Fire tablets pre-loaded with French translations of Bible studies, books, tracts, prayer bulletins, and other resources.

So many happy faces... it was just like Christmas, a little early! **Delegates from 39 of the 41 French-speaking nations in the world received books and tablets.** One missionary thanked us with tears in his eyes, saying, "My pastors have never had any book but the Bible; this will be such a blessing to them as they develop their ministry." Another delegate said he could not take any books home because he is in an access-challenged nation, but he was hoping to at least get the tablet across the border. Following the Summit, we travelled to Ghana to attend the All Africa Leadership Conference.

In Quebec City, Montreal and Trois-Rivières (our network hub), Life groups/discipleship and leadership development are an ongoing catalyst to continued harvest and growth. Liane wraps up her academic journey of French translation studies on December 13, with her PhD thesis defense. As a result of a God-anointed vision, heroic efforts and a burning passion, **Apostolic French resources are making their way around the globe!** Thanks to all of our supporters and the translation team members who walk alongside of her. Without you none of this would be possible. *Ensemble* (Together): Thank you for your support!
