SCOTT & LIANE GRANT

**Your Metro Missionaries to Montréal, Québec, Canada
—the most unevangelized area in all of North America!**

THANK YOU FOR HELPING US!

“And a vision appeared to Paul in the night; There stood a man of Macedonia, and prayed him, saying, Come over into Macedonia, and help us.” (Acts 16:9)

We have been overwhelmed in the last four years by all those who have carried a burden for Montreal and Quebec. So many have helped, prayed and given in so many different ways!

Just recently a prayer team arrived from Louisiana, led by Derald Weber and Ronnie Melancon, North American Missions director and secretary for the state. The group of 16 ministered in Montreal, Trois-Rivières and Quebec City; the power of their prayers coupled with their evident burden was such a blessing!

Many of these men have been coming up to Quebec for over a decade, burdened for this area given their connection to it through their Cajun roots. Louisianians with French roots are related to those people displaced from Acadia (Nova Scotia) hundreds of years ago because of their loyalty to the French. Tears flowed as we prayed together in Trois-Rivières for labourers.

Hearts rejoiced as we realized the long-awaited answer to the prayer requests

Prayer in Quebec City

for Quebec City. On July 4, along with one of our Purpose Institute Bible school students, Jean Yves, we began a monthly home fellowship group in Quebec City hosted by Justine and Germand, who moved there last year.

If there is one word to describe the first meeting, it is “expectation”.

There were 11 present; there was a powerful touch of the Holy Ghost and a sense that the Lord has begun a great work, even in this small beginning. Also, a few

days before our first meeting, a gentleman from Quebec City was baptized in Jesus’ name in Montreal!

We have prayed and reached into the city often since our arrival and feel that now is the time to ratchet up our efforts on a consistent basis.

Pray for Justine and her family, who will follow up with guests when we cannot be there. Pray that this group will grow into a significant beach-head in this metro area of about a million people. Pray that the Lord will lead us to strategic individuals who will play a pivotal role in Jesus’ plan for this walled city. While the old ramparts of Canada’s oldest city remain a testament to its beauty and strategic place in history, pray that the spiritual barriers that have kept people from Apostolic truth will crumble and be removed forever!
