

**SCOTT & LIANE GRANT, Career Church Planters to Quebec
 - North America's greatest mission opportunity!**

**Service location
 in Quebec City**

First service onsite

**Thank you for your
 prayers and support;
 God bless you!**

Deputation Completion!

With our new appointment as Career Church Planters last year, we had to do some deputation travel. We did not want to hinder our missions work here, so we decided to do some smaller, more focused fundraising trips, and appeal to our existing partners to continue their monthly commitment.

We are humbled and overwhelmed by the miracle of retaining over 65% of our original donor base, and of completing our budget in a total of four months of travel. Thank you so much to the districts of Mississippi, Louisiana, Georgia and Connecticut for hosting us. We are also grateful for the pledges received by mail, at General Conference and Because of the Times, and at the district conferences in Georgia and Wisconsin.

May God bless you abundantly for your kindness! Because of your sacrifice, there has been very little disruption to our missions efforts in the province of Quebec, in the various churches we are involved with, and the training of workers at our Purpose Institute campuses. On Easter Sunday, the church we planted in Montreal's South Shore in 2010 had 78 in attendance, and the Trois-Rivières church had 85.

Quebec City

With our travel completed, we have been able to focus more on Quebec City. Along with some Purpose Institute students from Montreal, we have three group Bible studies going in the city. Near the end of March, we were able to secure a very nice room in a community centre, for an incredibly low price.

We had our first service on Easter weekend, in spite of a snowstorm that morning! We have scheduled one service a month, and are hoping to soon welcome newly appointed part-time Metro Missionary, Melissa Fross from Illinois, to the capital city of Quebec.

Having missionaries on site is crucial to establishing churches in this city ripe for harvest. If you are able to make a monthly pledge, it will speed up her arrival to Quebec City. Just contact North American Missions and mention **Project Account 247593 for Melissa Fross.** Thank you for your burden for Quebec!

WE WOULD LOVE TO HEAR FROM YOU!
