

### The Deputation Trail:

- Since our last newsletter, we have traveled through Indiana, Kentucky, Maryland and Virginia.
- We were able to spend two weeks at home with our family at Christmas time.
- We are heading to North Carolina and South Carolina in February; Ontario and Tennessee in March; Florida in April; and Alabama in May.

### Interesting French Language Statistics:

Number of immigrants from France to Quebec each year	<b>Approx. 3,500</b>
Number of first-language French people in the United States	<b>1.6 million</b>
Number of U.S. residents with French ancestry	<b>13 million</b>
French is the 2nd most spoken language in these four states	Louisiana, Maine, New Hampshire, Vermont

## SCOTT & LIANE GRANT

Your Metro Missionaries to Montréal, Québec, Canada - the most unevangelized area in all of North America!

### Ministry in Motion—The Challenge Continues

We are grateful for the powerful moves of God we have experienced in churches across our fellowship. In Carlinville, Illinois, a backslider prayed through in Pastor Mouser's church. In Eminence, Kentucky, a friend of Pastor Eades prayed through. People are being baptized and filled with the Holy Ghost everywhere!

Our trip to France reinforced strongly our immense burden for French-speaking people! It has been intriguing during our deputation travels to meet French folks in so many places. In Ashburn, Virginia we met Nancy who is originally from Quebec and a young family who just moved from France. In Brooklyn, New York we met people from France and French West Africa. In Gaithersburg, Maryland we met a lady from Senegal.

The Congo, Haiti, the Ivory Coast, Belgium, the list goes on and on of those that we have met with this common French heritage!

Everywhere we go, it seems we have the opportunity to hone our French language skills and see with fresh awareness the incredible need of laborers in the French speaking harvest field. Even in Montreal, where 66 % of the population is French speaking, the populace is dotted with immigrants from all of the French speaking countries outside Canada.

The challenge and the opportunity is that which is intrinsic to virtually every Metropolitan area. When you significantly impact the city, you touch the world! The immediate challenge is that of raising support to get on site, as soon as possible.

If you are able to help us get to Montreal by the summer of 2008, we would be so grateful. Montreal and the French speaking world will be impacted because of your vision and sacrifice! May the Lord richly bless you for your investment in His Kingdom.

Please pray for revival in the metro areas of North America.

North America has approximately one UPC church for every 75,000 people. However, the metro areas of North America have only one UPC church for every 240,000 people. Pray for more labourers in our metro areas!

We are incredibly thankful for those who have plugged into the mission of Montreal, Quebec, Canada. To those who have yet to commit, the door is wide open - please contact us soon.

Our son, Jonathan, at our display table.

### WE WOULD LOVE TO HEAR FROM YOU!

Please drop us an email at [scottgrant@aol.com](mailto:scottgrant@aol.com) or give us a call at 314-580-0356. We'd love to hear about what has happened in your church since we visited you. We appreciate your prayer support, financial support and friendship so very much.
