APOSTOLIC YOUTH CORPS

Compelled by a divine call, 29 young people arrived in Montréal on June 27, along with Matthew and Rebecca Johnson of the Youth Division. Most expressed a desire to get out of their comfort zone and let God take them to a higher level. That certainly happened as they participated daily in street evangelism. Repeatedly throughout the AYC trip, the youth chose to do evangelism rather than sightseeing. Many invitations were distributed, resulting in several visitors to the services and one man expressing a desire to be baptized. One lady, crying, told us that she felt the hair on her arms standing up while we were singing. On Canada Day we visited Chinatown and, surrounded by shops filled with idols, the youth boldly sang, “Our God is greater, our God is stronger!” Strangers stopped to listen, clap and take their pictures. One spectator expressed the burden we were all feeling, “This city needs this so badly!” That evening, we met the local youth group in Old Montreal where thousands had congregated for the festivities, and we had church! The youth sang, shouted, danced and talked in tongues while a huge crowd watched and clapped, many of them in tears.

WE HAD CHURCH IN DOWNTOWN MONTREAL ON CANADA DAY!

The next day, we had a blowout service in the South Shore, where we are stationed as Metro Missionaries, with a record attendance of 80. A couple leaving an AA meeting nearby stopped to listen and we were able to minister to them. On Sunday, we had a great celebration of praise to end the trip and Bro. Johnson challenged the Montreal saints: “We’re leaving here tomorrow; who is going to dance in the streets of Montreal next week?” Many tears were shed as the AYC youth said goodbye to the local youth with whom they had bonded during the trip. Wow – what a week! So many lives changed, so many seeds of evangelism sown as the youth worshipped in the streets. We were overjoyed to see the openness of the people here. Please continue to pray for labourers in Quebec—we have less than 10 churches among 8 million people. Thank you, AYC—Quebec will never be the same!
