A CHURCH IN MONTREAL'S SOUTH SHORE !

The Church is people who are born of the water and Spirit. However, especially in a culture steeped in traditional religion, the worship location is very significant.

Since we began services earlier this year in Montreal's South Shore, we have been meeting in a hotel conference room, hauling everything in for each service and then breaking it down afterward. However, we have just met with the United Church in our community, and for the same monthly cost as the hotel (or less)

Outside of Rental Building

David and Cynthia and their two children.

Also, please pray for the immediate needs of the new facility. We will need chairs, a pulpit, dividers to manage the space, carpet for the altar area and some permanent sound equipment. Should the Lord move upon you to assist us, it would be a great blessing!

Thanks for all that you do in helping to plant churches in Quebec.

Hotel Conference Room

we have negotiated the rental of a portion of their building that will accommodate us for the foreseeable future as we grow. It will be ours to use 24/7, and expanded facilities will be available for special events and Sunday school.

Please pray for many contacts that we have made who have not yet come to service. Pray for Armande, his wife Mercedes and their grown daughter Amelia. Pray for Huba, who connected us with this family, and his wife. Pray for
